Parent Participation Program Guidelines 2020-2021

St. Michael's School

Parent Participation Program

2020-2021

Dear Parents,

Catholic education exists to help parents educate their children in the Faith. The entire school community shares in the responsibility of educating our children and implementing our vision, mission and goals. Parents are encouraged to take an active role. The Parent Participation Program is an opportunity for building community, giving financial support, and offering support to each other as we work together for the benefit of our children. The Parent Participation Program also reduces the operational costs of the school.

Our tuition fees are lower because of the work provided through parent participation. Parent participation will look different during the 2020-2021 school year due to COVID safety guidelines. Some of the regular parent participation roles have been suspended or adjusted to ensure the safety of the students, staff and parents themselves. For this year ONLY the number of parent participation hours have been reduced from 60 hours/year per family down to 30 hours per year, per family or 3 hours per month to the school. The primary area of involvement is fundraising, but other activities are available on a limited basis. Other suggestions are welcome and should be given to the PEC Participation Coordinator. Parents who do not fulfill their participation commitment must pay a \$1300 non-participation fee, however, for the 2020-2021 school year the non-participation fee has been reduced to \$900. Families who do not complete their hours, may be required, in the following year, to pre-pay the non-participation. Parents who have difficulty meeting their participation obligation should contact the Pastor, Father Rossi

NON-PARTICIPATION FEE

Parents may elect to pay a fee instead of completing participation hours. The non-participation fee of \$900 for the 2020-2021 school year, must be paid in full and dated for September 1, 2020. The fee may be pro-rated. If you wish to pay a non-participation fee or a pro-rated non-participation fee, please contact the PEC Participation Coordinator.

TRACKING HOURS

All parents (including Category Managers) are responsible for keeping a record of their hours. Parents are responsible for registering and entering their hours through the Participation section on our website. Category managers will then approve or decline the hours. Your unique family code, needed for online registration, will be emailed to you in September. Contact your Category Manager or the Participation Coordinator if you have questions regarding the submission of hours. Please ensure your hours are up to date to avoid being charged a non-participation fee at the end of the year.

AREAS OF PARTICIPATION

General descriptions for the categories listed on the *Parent Participation Form* are included in this guide. Areas may need to be combined to make up the minimum required 30 hours. Before you make up hours in other categories, please discuss with your Category Manager or the Participation Coordinator. Also, throughout the year, the school office may seek volunteers for committees or small projects, generally of a short duration. These opportunities are usually advertised in the school newsletter. Please keep in mind that required hours are used as a **minimum guideline only** and some commitments may involve **more** than the minimum requirement.

PLEASE NOTE THE FOLLOWING:

1. Work completed in the summer (July and August) is credited to the first half of the school year. Exceptions will only be made for special events or projects arranged in advance.
2. Parents will be sent two notices, one in January and one in May, to inform them of the total number of hours that have been reported to the PEC.
3. Some categories (supervision and library) require that participation be equally divided over the school year as follows: 30 hours from September to January and 30 hours from February to June. This mandatory requirement ensures there will be enough parent librarians and parent supervisors for the entire year. Shortages in these positions significantly compromise the quality of student programming and safety. Therefore, in these categories, any extra hours in the first half of the school year **CANNOT** be carried over to the second half. Parents may not complete 30 hours all in one term in these categories without approval by category managers **and** the PEC.
4. It is the parents' responsibility to meet their participation obligation. Unless a special arrangement is made with the PEC in advance, parents may not ask other adults to complete their hours. Children under the age of 16 cannot complete participation hours.
5. In order to ensure the commitment to and the tradition of the Parent Participation Program at St. Michael's School, the PEC requires ALL families to complete a Pre-Authorized Debit Plan (PAD) Form in the amount of \$1300. If families do not complete the required 30 hours of participation then \$900 or a pro-rated amount of \$30 per hour will be debited.
Approved: Parish Education Committee
Date Approved: Sept.1, 2020
6. Some work involved is considered volunteer work and cannot be credited towards Parent Participation hours. Please see St. Michael's Parent Participation Program Policy found in the Policies and Procedures Handbook for Parents.
7. Any parent who is hired by the school may not receive credit for paid time as participation hours.
8. Category Managers are responsible for ensuring that their category is running smoothly by monitoring the attendance and the work being done. Category Managers must report any problems or anyone who is not fulfilling their obligations to the Participation Coordinator
9. If you have any concerns, questions or problems regarding the Parent Participation Program, please contact the PEC Participation Coordinator. Do not direct your inquiries to the school secretary.

Thank you for your continued support and commitment to our school. Our combined efforts will help make our school better for everyone.

**ST. MICHAEL'S SCHOOL
PARENTS' PARTICIPATION PROGRAM
2020-2021**

CATEGORY	CATEGORY MANAGER	CONTACT INFO	NOTES	HOURS
1.
