Dear Friend of St. Michael's Parish,

The **Auction** hosted by St. Michael's Parish will be reaching its **18th** anniversary on **April 27th, 2019**. This would have not been possible without your generous support over the past years. The Auction is by far the most important fundraiser for our **elementary school**.

The proceeds will continue to go towards the significant costs associated with necessary **seismic upgrades** and **other capital improvements** required for the parish school. As an independent school, St. Michael's does not receive Government funding for capital costs, including seismic upgrades and is entirely dependent on the support of the parish community.

We would like to express our gratitude for your support in the past and hope we could count on your organization to be a corporate sponsor for our 2019 Fundraiser. This involves either donating an item or a service to be auctioned off on April 27th or making a cash donation. Our Auction is a very well attended event and we pride ourselves in recognizing all of our sponsors by including their name the Auction's Catalogue and through our online presence (the school's website and the Auction's Facebook page) as a small token of appreciation.

Please contact our Auction Committee auction.st.michaels@gmail.com for any question you might have or if you would like us to arrange to pick up your donation.

Thank you very much for considering this request.

Sincerely,

Nicole Rozinbaum
