**Part of Pope Francis' Lenten message focused on HOPE. I have shared that excerpt with you below:**

Jesus revealed to his disciples the deepest meaning of his mission when he told them of his passion, death and resurrection, in fulfilment of the Father's will. He then called the disciples to share in this mission for the salvation of the world.

In our Lenten journey towards Easter, let us remember the One who "humbled himself and became obedient unto death, even death on a cross" (Phil 2:8). During this season of conversion, let us renew our *faith*, draw from the "living water" of *hope*, and receive with open hearts the *love* of God, who makes us brothers and sisters in Christ. At the Easter vigil, we will renew our baptismal promises and experience rebirth as new men and women by the working of the Holy Spirit. This Lenten journey, like the entire pilgrimage of the Christian life, is even now illumined by the light of the resurrection, which inspires the thoughts, attitudes and decisions of the followers of Christ.

*Fasting, prayer and almsgiving*, as preached by Jesus (cf. Mt 6:1-18), enable and express our conversion. The path of poverty and self-denial (*fasting*), concern and loving care for the poor (*almsgiving*), and childlike dialogue with the Father (*prayer*) make it possible for us to live lives of sincere faith, living hope and effective charity.

*In these times of trouble*, when everything seems fragile and uncertain, it may appear challenging to speak of hope. Yet Lent is precisely the season of hope, when we turn back to God who patiently continues to care for his creation which we have often mistreated (cf. *Laudato Si'*, 32-33; 43-44). Saint Paul urges us to place our hope in reconciliation: "Be reconciled to God" (2 Cor 5:20). By receiving forgiveness in the sacrament that lies at the heart of our process of conversion, we in turn can spread forgiveness to others. Having received forgiveness ourselves, we can offer it through our willingness to enter into attentive dialogue with others and to give comfort to those experiencing sorrow and pain. God's forgiveness, offered also through our words and actions, enables us to experience an Easter of fraternity.

In Lent, may we be increasingly concerned with "speaking words of comfort, strength, consolation and encouragement, and not words that demean, sadden, anger or show scorn" (*Fratelli Tutti*, 223). In order to give hope to others, it is sometimes enough simply to be kind, to be "willing to set everything else aside in order to show interest, to give the gift of a smile, to speak a word of encouragement, to listen amid general indifference" (*ibid.*, 224).

*Through recollection and silent prayer*, hope is given to us as inspiration and interior light, illuminating the challenges and choices we face in our mission. Hence the need to pray (cf. Mt 6:6) and, in secret, to encounter the Father of tender love.

*To experience Lent in hope* entails growing in the realization that, in Jesus Christ, we are witnesses of new times, in which God is "making all things new" (cf. Rev 21:1-6). It means receiving the hope of Christ, who gave his life on the cross and was raised by God on the third day, and always being "prepared to make a defense to anyone who calls [us] to account for the hope that is in [us]" (1 Pet 3:15).

### **COVID PROTOCOLS**

We ask that all parents follow our safety protocols carefully. Please be reminded that no parent is allowed in the school unless it has been prearranged with a staff member. Parents who need to pick up their child due to illness are required to pick him or her up from the designated isolation room which is located at the back of the school. To get there you are to walk behind the school (where the outdoor learning area is) and keep walking down the path until you come to a door labeled "Isolation Room." These protocols are in place for everyone's safety and are mandated by our health authority. Thank you, in advance, for your continued adherence to our safety protocols.

### **LENTEN MITE-BOX PROJECT**

The Archdiocesan Vocations Office has given all CISVA Elementary Schools Lenten mite-boxes. Your children are encouraged to use these boxes to collect small financial offerings to help our seminarians in their formation, as well as bless those who will be helped by the sacrifices they make.

We will collect the mite-boxes during Holy Week (March 29<sup>th</sup> to April 1<sup>st</sup>).

### **FRIENDSHIP DAY**

The Student Leadership team invites our school community to take part in our 'Friendship' Non-Uniform Day on **Wednesday, February 24<sup>th</sup>**. Students are asked to come dressed in pink and red and to bring a minimum of \$2 for donation. But more importantly than just wearing the colours pink or red, the students are encouraged to be "extra" kind to their peers by doing random acts of kindness. This day is an opportunity to do something **extra nice** for someone else, to appreciate our fellow citizens and build community. Thank you for your continued support.

### **PARENTS OF GRADE 2 STUDENTS**

There will be a meeting on **Wednesday, February 24<sup>th</sup> at 7:00 pm** for all parents of children preparing to receive the Sacrament of Holy Communion. **We will use the same Zoom link as the previous meeting.** A reminder email will be sent to you.

### **STUDENT LED CONFERENCES**

Student-Led Conferences will be held on **Thursday, March 4<sup>th</sup>**, between **9:00 am and 5:00 pm**. No regular classes are scheduled for that day. Students are required to wear their St. Michael's School Uniform while attending their online conference.

This year the student led conferences will look a little different. We will not be able to have the students showcase their learning in the classroom like in the past; however, the students will continue to experience the three-part process: in-class preparation, the student-led conference (including goal setting), and an evaluation of the process.

The biggest difference will be that the students will showcase their learning at home PRIOR to the online conference with the teacher.

The primary students will bring home a student-led guide to review and the intermediate students will share their learning in the form of a google slide show.

What will stay the same is that the process continues to be an opportunity to let your child shine and take an active part in his/her education.

**A letter will be sent home early next week with more information.**

***Thought of the week...***

“The Church lays great stress on this truth, confirmed by the history of every man. Remember that “to dust you shall return.” Remember that your life on earth has a limit!”
